Modern Language Program

WHY MLP?

At Assumption College Sriracha, we prepare students to succeed in an interconnected and rapidly changing world through a high-quality international education that develops knowledge, skills, character, and confidence for future learning, careers, and life.

Established in 2003 and approved by the Thai Ministry of Education, the Modern Language Program (MLP) is an approved **Cambridge International School No. TH161**. Through internationally benchmarked learning and assessments in English, Mathematics, and Science, students develop critical thinking, creativity, communication, wellbeing, intercultural understanding, and global awareness. With a strong focus on digital literacy, artificial intelligence (AI), robotics, and emerging technologies, students are equipped to thrive in future education, careers, and a global society.

OUR GOALS

1. Strengthen Student Achievement

Improve student outcomes and academic performance across all key learning areas while developing independent learners and confident English communicators.

2. Enhance Curriculum and Innovation

Further develop an internationally benchmarked curriculum through innovative teaching approaches, technology integration, AI, robotics and digital literacy.

3. Expand Student Pathways and Opportunities

Increase opportunities for electives, leadership, specialized programs and career-focused learning pathways that support future university and career readiness.

4. Invest in Teaching Excellence and Well-being

Recruit, develop and retain high-quality educators while promoting student well-being, resilience and positive school culture.

5. Strengthen Community Engagement and School Reputation

Build strong partnerships with families, national and international universities and institutions, while enhancing the school's reputation through academic excellence, innovation, global connections, and meaningful community engagement.

DEVELOPING SOFT SKILLS

CREATIVE THINKING

Grades 1 – 6

The primary years provide a strong foundation for lifelong learning and personal growth. **As a Cambridge International School**, ACS MLP delivers a high-quality international curriculum that promotes curiosity, critical thinking, creativity, and confidence through engaging, student-centred learning. Guided by experienced teachers, students develop the knowledge, skills, and character needed for future success.

Grades 7 – 12

As a Cambridge International School, ACS MLP provides internationally benchmarked learning that develops academic excellence, critical thinking, and future-ready skills. Student achievement is measured through **Cambridge Checkpoint Assessments**, while preparation for **IELTS and SAT** equips students with internationally recognised qualifications for admission to leading universities in Thailand and worldwide. Through Individual Development Plans (IDP), students are supported in developing their strengths and achieving their full potential.
